Professor A. Gray, in behalf of the committee to whom was referred the amendment of the third section of Chapter VII. of the Statutes of the Academy, proposed by Dr. B. A. Gould at the last statute meeting, recommended that it be adopted; namely, that the second clause of the third section of Chapter VII. of the Statutes of the Academy be replaced by the following: —

“The Council for Nomination shall consist of the President and the two Secretaries, together with three Fellows from each of the three Classes of the Academy, to be elected by ballot at the annual meeting. And it shall be the duty of the Council, in nominating Associates and Foreign Honorary Members, to consult the wishes of that section of the Academy to which the candidate, if elected, would belong.”

Dr. W. F. Channing exhibited several fine positive photographic pictures on paper, made by Mr. Whipple by simple superposition of the negatives taken on glass.
